Years 8 students are also streamed into two A classes and three B classes. The classes remain the same for all core subjects of English (8 periods per cycle), Science (8 periods), History (4 periods), Geography (4 periods) and PD/Health/PE (4 periods). However, Mathematics classes (8 periods) are graded separately. Students are then divided into smaller groups for Visual Arts (3 periods), Music (3 periods) and Technology (6 periods) classes. Year 8 students also study Japanese (6 periods). All year 8 subjects are mandatory.
