The Media group is a student initiative of around 23 gifted and talented students ranging from Yr's 7-10. The students are currently working on the schools:

- Website
- Newsletter
- Articles for the local newspaper
- Annual Magazine
- Photo of school events
- Special Achievements

The students are currently led by Mrs Shuetrim and Mr Tester who help and guide the students. The Media group was started in 2001 by a small group of students interested in extending their knowledge in media studies with the help of IT Teacher, Mrs Noake.
