The DER laptop user charter must be signed by all students prior to receiving a laptop. A copy can be downloaded [here](#).

The charter outlines rules and responsibilities when using the laptops. Some key points include:

- The student must bring the laptop fully charged to school every day. Chargers should be left at home.
- The school retains ownership of the laptop until the student completes year 12.
- All material on the laptop is subject to review by school staff.
- Any problems, vandalism, damage, loss or theft of the laptop must be reported immediately to the school.
- Students are held responsible for their actions while using internet and online communication services.
- Students are held responsible for any breaches caused by them allowing any other person to use their e-learning account to access internet and online communication services.
- Students the misuse of internet and online communication services may result in disciplinary action which includes, but is not limited to, the withdrawal of access to services.

Please read the user charter and its associated documents in their entirety.
